NOTIFICATION

The office of the undersigned is pleased to inform all NHM Officers/Staff that the outstanding arrears will be released immediately, together with the monthly salary for the month of February 2024. As per approval by the Ministry of Health and Family Welfare, Government of India, approval for increment is 5% and the rationalization of salary is also calculated at 5 % hence the arrears have been calculated as mentioned below-

For PM Category:- Last rationalization was approved in the month of September'2021 hence arrear calculated as $5\% \times \text{Grade Pay} \times 27 \text{ Months}$ (October 2021 to December 2023).

For SD Category:- Last rationalization was approved in the month of July'2022 , 9 months late from PM, hence arrear calculated as $5\% \times \text{Grade Pay} \times 36 \text{ Months}$ { October'21 – June'22 = 9months+ 27months (July'22 to December'23)}.

As per NHM policy, an employee will be eligible for increment only after completion of one year of service in the post appointed.
