Section 7. Terms of Reference. Sl. 11: Environmental and Social Policy	<p><i>The Works' policy goal, as a minimum, should be stated to integrate environmental protection, occupational and community health and safety, gender, equality, child protection, vulnerable people (including those with disabilities), gender-based violence (GBV), HIV/AIDS awareness and prevention and wide stakeholder engagement in the planning processes, programs, and activities of the parties involved in the execution of the Works. The Client is advised to consult with the World Bank to agree the issues to be included which may also address: climate adaptation, land acquisition and resettlement, indigenous people, etc. The policy should set the frame for monitoring, continuously improving processes and activities and for reporting on the compliance with the policy.</i></p> <p><i>The policy should, as far as possible, be brief but specific and explicit, and measurable, to enable reporting of compliance with the policy.</i></p> <p><i>As a minimum, the policy is set out to the commitments to:</i></p> <p><i>1. apply good international industry practice to protect and conserve the natural environment and to minimize unavoidable impacts;</i></p> <p><i>2. provide and maintain a healthy and safe work</i></p>	<p><i>Adherence to World Bank's Environmental and Social policies and guidelines: To meet the Objective of the Services and in conducting the activities mentioned as part of Scope of Work, the consultant will factor compliance of World Bank's environmental and social policies and relevant guidelines. Key aspects related to health care including, but not limited to, health, safety, hygiene, safe disposal of medical waste, and WASH practices shall be duly factored. In addition, the attention towards needs and concerns of the vulnerable groups; inclusion of vulnerable groups (e.g. women, elderly people, people living in hard to reach areas, ethnic minorities, people with disabilities) shall need to be included. These aspects will need to be incorporated in the study design and developing the IEC and BCC materials. Wider stakeholder consultations are expected following the WHO COVID-19 guidelines. The Project's Environmental and Social Management Framework (ESMF) and the Stakeholder Engagement Plan (SEP) shall be referred and followed. These will be made available at www.nhmmeghalaya.nic.in soon</i></p>
